On September 18, sufficient unclaimed water in the Provo River was bypassing 1200  
 feet, Utah, that there was no necessity to restrict Provo City diversions or to  
 record of the same.

The Dry Creek Ditch Company, under an agreement with Fort Field Ditch Company, re-  
 strict stream to Provo River at 860 North in Provo for addition and diversion by Fort  
 Field Company below for a 76 hour 45 minute turn on dates and time listed:

1 13	11:38 A. M.	April 29	11:38 P.M.
1	11:38 A. M.	May 22	11:38 P.M.
3	11:38 A. M.	June 14	11:38 P.M.
